Woods County Assessor Monica Schmidt scored another victory for taxpayers this week in the fight to collect unreported and under-reported assets.

A Mutual Dismissal agreement was filed in Woods County District Court between Woods County Assessor and Cimmarron Transportation L.L.C.

Cimmarron Transport protested their tax assessment of Idle Pipeline for the year 2002. The agreement will provide an additional \$2315 in tax revenues.

"We worked together on some issues on their 2003 and 2004 assessments and came to a conclusion on the 2002," Schmidt said.
